SUBJECT: Mission and Functions - Personnel and Training Staff

---

1. MISSION

Provide personnel support to the Logistics Career Service and develop, recommend, coordinate, implement, and administer an effective personnel management program within the Office of Logistics (OL).

2. FUNCTIONS

- a. Serve in a staff advisory capacity to the Director of Logistics in planning the selection, assignment, utilization, career development, training, evaluation, rotation, and advancement of personnel to meet present and projected logistics support personnel requirements in Headquarters and in the field.
- b. Develop, recommend, and implement internal OL personnel policies, practices, and procedures, and provide staff assistance and guidance to OL staff and division chiefs, supervisors, and employees regarding personnel and training matters.
- c. Plan and operate a rotation program designed to provide for the planned rotation and replacement of personnel engaged in logistics support, both domestic and foreign.
- d. Screen the qualifications of all applicants or Agency employees referred as candidates for appointment or assignment to OL or SL positions, and reject or make appropriate recommendations regarding their employment or assignment.

- e. Advise staff and division chiefs and assist OL supervisors with regard to handling of formal disciplinary actions and recommendations for eliminating from the Logistics Career Service those personnel who fail to perform in a satisfactory manner.
- f. Participate in a staff advisory capacity in connection with organization and personnel staffing plans of OL components; conduct research and make statistical and analytical studies, surveys, and analyses pertinent to personnel management within OL.
- g. Compile estimates of projected OL personnel staffing requirements for inclusion, as required, in Office of Personnel recruitment plans and for use by the Budget and Fiscal Branch, EO/OL, in preparing budget estimates for personal services.
- h. Coordinate and monitor the preparation of all personnel actions and other personnel documents; maintain status control of central OL Personnel Ceiling, Staffing Complement, Career Service Staffing Authorization, on-duty strength, present and prospective OL employee, statistical, and other supporting records required in connection with OL personnel, training and Career Service activities.
- i. Develop training needs and requirements of the Logistics Career Service and direct the formulation of Logistics training programs and, in collaboration with the Office of Training, organize and conduct special training courses for Logistics Career Service personnel.
- j. Assist SL personnel in selection of employee training courses; counsel SL employees toward self-improvement by encouraging their participation in available educational programs during nonwork hours.
- k. Implement the retirement programs, both Civil Service Commission and CIA, as they pertain to SL designees; counsel employees; and maintain records applicable thereto.
